What's Going On in Your Neighborhood? Menomonie Police Department Community-Oriented Policing forums set for the River Heights area and East side of Menomonie

Menomonie— The Menomonie Police Department has implemented Community-Oriented Policing projects for each shift of officers to take on throughout the city in order to identify issues throughout the community and work collaboratively with citizens to solve problems. The first stage of this process is for the shifts to hold citizen forums throughout the community. Two upcoming officer-led forums are scheduled where officers will share information and solicit feedback from citizens living in the area.

River Heights: Tuesday, March 28 from 6:30-7:30 p.m. at River Heights Elementary school library

East Menomonie: Wednesday, March 29 from 7:00-8:00 p.m. at the Dunn County Judicial Center

These projects directly align with the mission and vision of the Menomonie Police Department: to collaborate with the community to provide a safe and peaceful environment while protecting the liberties of all persons; and to be recognized as a professional law enforcement agency that responds to the dynamic changing needs of the public through innovative and collaborative efforts involving all community shareholders.
